

Ewe-topia's Safety Guidelines

We want everyone who comes to Ewe-topia to feel safe while we continue our standards of excellent training for you & your dog.

Please follow these guidelines:

- ★ **If you are experiencing any Covid symptoms, please leave our property immediately.**
- ★ **Please have exact change or a check for all the lessons you may take. We DO NOT take any type of cards**
- ★ **Maintain SIX FEET social distancing from every person and dog not in your household.**
- ★ **Our instructors will open gates for you. They will not touch your dog or your leash.**
- ★ **We have several hand sanitizing stations & a wash area with water, soap, & paper towels.**
- ★ **Once you finish your lessons, please leave the property so we can prepare for the next student. In the future, we will hope to resume our standard practice of students watching other's lessons but not just yet. We look forward to that time !**

Thank you for your cooperation.
